PET FOOD EVOLUTION

Mediterranean flavors for our 4-legged friends

Vincent Pet Food produces and distributes quality food for dogs and cats of all breeds designed to satisfy every specific nutritional need.

What distinguishes us is the use of natural ingredients inspired by the **Mediterranean Diet**.

We are committed to offering the best for the well-being of our four-legged friends, and our range of products represents a standard of excellence in the world of animal nutrition.

Using natural ingredients such as olive oil, fish, whole grains, vegetables and legumes, we offer a balanced and tasty diet for dogs and cats of all breeds and ages.

Every morsel in our line is packed with essential nutrients like high-quality proteins, healthy fats and natural antioxidants, which support the overall health and well-being of our pets.

Furthermore, the presence of ingredients such as olive oil and oily fish rich in Omega 3 and 6 promote healthy skin, fur and joints, ensuring that our furry friend is always at the best of his abilities.

Vincent Pet Food is actively engaged in the transition towards more sustainable production. To this end, we have installed a rooftop photovoltaic system with a capacity of 582 kW, which will reduce annual CO2 emissions by approximately 358 tonnes.

This investment reflects our commitment to reducing environmental impact in line with the objectives set by the 2030 Agenda for Sustainable Development.

Vincent Pet Food exports to 40 countries (Europe, Africa, Asia and South America).

vincent[®]
PET FOOD EVOLUTION

Pets come first is our mission.

Protecting the well-being and health of our 4-legged friends for us means guaranteeing a healthy and balanced diet. For this reason we select the highest quality raw materials that are subjected to strict controls to protect hygiene and food safety and we make sure that the formulas used in the production processes, the processing phases and the finished products comply with the guidelines established by Fediaf (European Pet Food Industry Federation) for the nutrition of dogs and cats.

A better life for all pets is our vision.

Pets are considered real family members and it is increasingly evident that their role in the community is also growing in importance.

Most pet owners are aware of the fundamental function that nutrition has for the health and well-being of their furry companions. However, producing quality food is not enough.

The most important bet to win is to ensure quality food for all pets.

This will only be possible if all the players in the food chain (suppliers, producers and distributors) are committed to ensuring fair and accessible costs for all.

A better life for our faithful friends means a better life for all of us.

Mediterranean Premium Dog Food

vincentdiet

PUPPY Dog All breeds

Chicken

PREMIUM
Line

Vincent Diet Puppy All Breeds with chicken is a complete and balanced feed for puppies of all breeds. The high content of high quality chicken (31%), together with the balanced contribution of fiber (durum wheat), make the feed particularly suitable for growing puppies. Designed with the use of natural ingredients common of the Mediterranean Diet (olive oil, durum wheat, tomato, legumes), it favors high digestibility and intestinal health. The use of olive oil regulates the right ratio of Omega 3 and Omega 6 fatty acids for healthy skin and hair and the tomato ensures the absorption of antioxidants to strengthen the immune system.

Analytical components:

Crude protein 28,5%; Crude oils and fats 16,5%; Crude fiber 1,7%; Crude ash 6,3%; Calcium 1,4%; Phosphorus 1,1%; Omega-3 0,4%; Omega-6 1,4%.

Composition:

dehydrated meat (chicken 31%), durum wheat (whole 8%), rice, corn, chicken fat (9,4%), dehydrated fish (2%), legumes (vicia faba minor 2%), dried beet pulp, corn gluten, olive oil (1%), dried carob pod meal micronised, minerals, dehydrated tomato (0,2%), chestnut extract.

Additives per kg: Nutritional additives:

Vitamin A (retinyl acetate) 16200 IU; Vitamin D3 910 IU; Vitamin E (all-rac-alpha-tocopheryl acetate) 97.5 mg; Vitamin B1 (thiamine hydrochloride) 3.25 mg; Vitamin B2 (riboflavin) 5.2 mg; Niacinamide 48.8 mg; Calcium-D-pantothenate 13 mg; Vitamin B6 (pyridoxine hydrochloride) 3.9 mg; Folic acid 1.46 mg; Vitamin B12 (cyanocobalamin) 0.1 mg; Biotin 0.26 mg; Vitamin K3 (menadione sodium bisulphite) 2.6 mg; Choline chloride 715 mg; Ferrous carbonate (iron) 168 mg; Potassium iodide 1.7 mg; Cupric sulphate pentahydrate (copper) 44.7 mg; Manganous oxide (manganese) 29.4 mg; Zinc oxide 80.6 mg; Sodium selenite (selenium) 0.28 mg; Lysine (L-lysine monohydrochloride technically pure) 520 mg. **Technological additives:** antioxidants.

MINI Adult Dog

Lamb

PREMIUM
Line

Vincent Diet Mini Adult with lamb is a complete and balanced feed for adult small dogs. The presence of lamb proteins makes this formula highly digestible and palatable and particularly suitable for dogs with a predisposition to food intolerances. Designed with the use of natural ingredients common of the Mediterranean Diet (olive oil, durum wheat, tomato, legumes), this food favors the intestinal health. The use of olive oil regulates the right ratio of Omega 3 and Omega 6 fatty acids for healthy skin and hair and the tomato ensures the absorption of antioxidants to strengthen the immune system.

Analytical components:

Crude protein 25.5%; Crude oils and fats 13.5%; Crude fiber 2.0%; Crude ash 6.5%; Omega-3 0.4%; Omega-6 1.4%.

Composition:

dehydrated meat (31%, lamb 10%), durum wheat (whole 8%), rice, corn, chicken fat (6.5%), dehydrated fish (2%), legumes (vicia faba minor 2%), dried beet pulp, corn gluten, olive oil (1%), dried carob pod meal micronised, minerals, dehydrated tomato (0.2%), chestnut extract.

Additives per kg: Nutritional additives:

Vitamin A (retinyl acetate) 13000 IU; Vitamin D3 730 IU; Vitamin E (all-rac-alpha-tocopheryl acetate) 80 mg; Vitamin B1 (thiamine hydrochloride) 2.61 mg; Vitamin B2 (riboflavin) 4.17 mg; Niacinamide 39.1 mg; Calcium-D-pantothenate 10.4 mg; Vitamin B6 (pyridoxine hydrochloride) 3.13 mg; Folic acid 1.18 mg; Vitamin B12 (cyanocobalamin) 0.08 mg; Biotin 0.21 mg; Vitamin K3 (menadione sodium bisulphite) 2.08 mg; Choline chloride 570 mg; Ferrous carbonate (iron) 135 mg; Potassium iodide 1.37 mg; Cupric sulphate pentahydrate (copper) 35.8 mg; Manganous oxide (manganese) 23.5 mg; Zinc oxide 64.6 mg; Sodium selenite (selenium) 0.23 mg; Lysine (L-lysine monohydrochloride technically pure) 420 mg. **Technological additives:** antioxidants.

PATÉ Adult Dog

All breeds

PREMIUM
Line

The Vincent Diet paté line, a complete and balanced meal for adult dogs of all breeds, stands out for its humidity greater than 60%. All formulas are inspired by the Mediterranean Diet with excellent ingredients and natural antioxidants capable of counteracting the action of free radicals and increasing immune defenses, such as oily fish, lean meat, vegetables and olive oil. Free from flours of animal origin, without colorings and preservatives, Vincent Diet patés use raw materials of animal origin which are processed while still fresh.

CHICKEN with CARROTS

Finest paté for dogs

Composition: Chicken (26%), Turkey, Beef, Rice, Ground Corn, Carrots (4%), Sunflower Seed Oil, Linseed Oil, Olive Oil (0.25%), Iodised Salt.

Analytical components: Crude Protein 8%, Crude Fiber 0.6%, Crude Oils and Fats 5%, Crude Ash 1.9%, Moisture 70%.

Additives per kg: Nutritional additives:

3a672c/Vit. A 2670 IU, 3a671/Vit. D3 303 IU, 3b605/Zinc 16 mg, 3b101/Iron 6.5 mg, 3b405/Copper 1.76 mg, 3b201/Iodine 0.37 mg, 3b503/Manganese 1.12 mg, 3b810/Selenium 0.08 mg.

Technological additives: 1f499/Cassia gum 1125 mg.

Instructions for proper use: the food is ready for use and should be served at room temperature. Once the package has been opened, the food should be stored in the refrigerator and consumed within two days.

BEEF with SPELT

Finest paté for dogs

Composition: Beef (26%), Chicken, Turkey, Spelt (9%), Ground Corn, Sunflower Seed Oil, Linseed Oil, Olive Oil (0.25%), Iodised Salt.

Analytical components: Crude Protein 8%, Crude Fiber 0.6%, Crude Oils and Fats 5%, Crude Ash 1.9%, Moisture 70%.

Additives per kg: Nutritional additives:

3a672c/Vit. A 2670 IU, 3a671/Vit. D3 303 IU, 3b605/Zinc 16 mg, 3b101/Iron 6.5 mg, 3b405/Copper 1.76 mg, 3b201/Iodine 0.37 mg, 3b503/Manganese 1.12 mg, 3b810/Selenium 0.08 mg.

Technological additives: 1f499/Cassia gum 1125 mg.

Instructions for proper use: the food is ready for use and should be served at room temperature. Once the package has been opened, the food should be stored in the refrigerator and consumed within two days.

Mediterranean Premium Cat Food

vincentdiet

STERILIZED Cat All breeds

Chicken

PREMIUM
Line

Vincent Diet Sterilized All Breeds with chicken is a complete and balanced feed for sterilized cats of all breeds. Designed with the use of natural ingredients common of the Mediterranean Diet (olive oil, durum wheat, tomato, legumes), it guarantees the right amount of fiber and proteins necessary to maintain the weight and well-being of your sterilized cat. The presence of high-quality animal proteins (chicken) and vegetable proteins (legumes), along the balanced intake of fibers (wheat), favors the high digestibility, the absorption of nutrients and the intestinal health. The use of olive oil regulates the right ratio of Omega 3 and Omega 6 fatty acids for healthy skin and hair and the tomato ensures the absorption of antioxidants to strengthen the immune system.

Analytical components:

Crude protein 32,0%; Crude oils and fats 12,0%; Crude fiber 4,6%; Crude ash 6,5%; Omega-3 0,4%; Omega-6 1,4%.

Composition:

dehydrated meat (chicken 33%), corn, durum wheat (whole 8%), rice, wheat bran, dried beet pulp, corn gluten, chicken fat, dehydrated fish, legumes (vicia faba minor 2%), olive oil (1%), dehydrated carob pod micronized, minerals, dehydrated tomato (0,2%), chestnut extract.

Additives per kg: Nutritional additives:

Vitamin A (retinyl acetate) 5.900 IU; Vitamin D3 400 IU; Vitamin E (all-rac-alpha-tocopheryl acetate) 83 mg; Vitamin B1 (thiamine mononitrate) 7,30 mg; Vitamin B2 (riboflavin) 4,40 mg; Niacin 45,00 mg; Calcium-D-pantothenate 6,00 mg; Vitamin B6 (pyridoxine hydrochloride) 3,00 mg; Folic acid 0,91 mg; Vitamin B12 (cyanocobalamin) 0,03 mg; Biotin 0,76 mg; Vitamin K3 (menadione nicotinamide bisulphite) 1,10 mg; Choline chloride 2.800 mg; Coated granulated calcium iodate anhydrous 1,69 mg; E1 Ferrous carbonate (iron 66,85 mg) 138,69 mg; E4 Cupric sulphate pentahydrate (copper 4,21 mg) 16,51 mg; E5 Manganous oxide (manganese 4,20 mg) 5,42 mg; Zinc oxide 76,88 mg; E8 Sodium selenite (selenium 0,25 mg) 0,55 mg; Taurine 1.500 mg; DL-methionine technically pure 1.000 mg; L-carnitine L-tartrate 200 mg. **Technological additives:** antioxidants, preservatives.
